Speedo International Limited is a distributor of swimwear and swim-related accessories based in Nottingham, England, known for their swim briefs. They have roots in Australia but are no longer manufactured in Australia. Founded in Sydney, Australia, in 1914 by Alexander MacRae, a Scottish emigrant, the industry-leading company is now a subsidiary of the British Pentland Group. Rules for Breaststroke. The breaststroke begins with a forward start. Swimmers will swim with their bodies on their breasts for the duration of the race, except during turns after a wall touch. Then, they can make any type of turn they want. The breaststroke is reminiscent of a frog swimming through the water and consists of the following: Although humans have been swimming for thousands of years, swimming only became a competitive sport in the early 1800s.
